YSGOL GLAN CEUBAL

Greetings everyone! Another wet but exciting week is coming to an end.

Volunteer thanks!

I would like to say a big thank you to all the parents and members of our community who volunteer and come into school to support us. Throughout the week we welcome parents who volunteer to read with the pupils and to lead netball sessions. We also welcome pupils from Glantaf who volunteer to support learning in the classroom and lead exercise sessions, one of our governors who volunteers to help in the classroom, and two members of staff from Cardiff University who give their time to support the school.

A heartfelt thank you to everyone who volunteers and gives their time to support our pupils. We are truly grateful, and our school benefits greatly from all of your support. If you would like to volunteer your time anytime, please get in touch with the school.
